Not only can your class have a chance to sail, but if you have any additional adults that would like to join the group for the morning sail portion of the trip, they can!

Additional adults cost is $30.00 per person.

The *Californian* can only accommodate 50 bodies total, so the number you can bring is dependent on the size of the overnight group. The Museum cannot accept individual checks so include these adults in the cost of your entire program and give us a list of these additional passengers when you check in the day before.

Please make these morning passengers aware that the boat will be leaving at 9:00 a.m. sharp. Recommended arrival time is no later than 8:45 am. Please explain that they will have to park in the pay lots, as the parking meters will not hold enough quarters to cover the length of time they will be gone.
