

We have a new complimentary audio tour program available for visitors.

There is no need for visitors to download a mobile app.

Simply **collect a player** from the Ticket Booth staff upon self-guided ticket purchase.

Walk into the Museum Gift Shop located on the lower level of the steam ferry *Berkeley*.

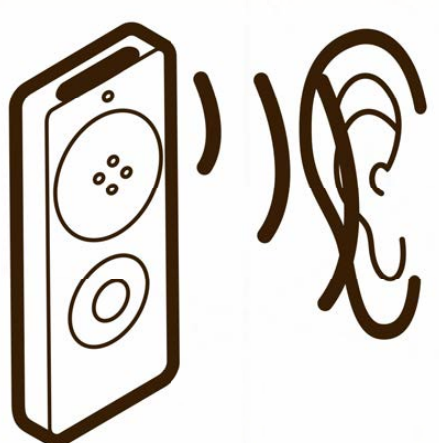

Once inside the *Berkeley*, please **activate the language preferred** by pointing your player to the AUDIO TOUR sign posted **READING Scan Your Language Here to Start Your Audio Tour**. Visitors may choose from **English, Spanish, Italian, French, Chinese and German** translated tour information.

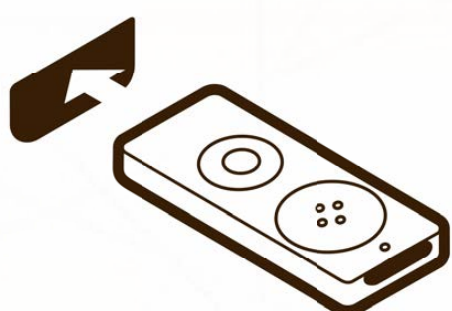

Once you start your museum tour, look for the small round red beacons with the MMSD logo. **Point your player towards the beacon** to automatically start your audio tour. The player will vibrate when you are successfully connected.

To adjust the volume, use the buttons on the side of the player.

To pause, and resume the audio tour, press the middle button on the front of the player.

You will hear more historical information about the Museum fleet and exhibits throughout the museum by pointing to the red beacons displayed throughout the Museum experience.

Once you have concluded your museum tour, **drop your player** at Ticket Booth.
